The search you requested is a court records search based on information you provided. The search results may include criminal court data from January 1989 to present, civil court data from January 2006 to present, active money judgments for the past twenty years, and/or inactive money judgments since April 2004, DEPENDING ON THE TYPE OF SEARCH REQUESTED. Records returned are only those that precisely match this information. There may be instances where fine and cost information will appear immediately below a dismissed charge. The amounts indicated are accurate for a different charge but there should be no fine and cost information related to a dismissed charge. Based on the age of a case, not all financial information may be available in the case management system. You should contact the Clerk of Court office where an original action took place to correct any misinformation and collect any missing information.
